Dear Parents/Guardians:

This school values your input. To support student achievement and well-being, we are inviting parents and guardians to participate in a survey. Topics covered in the survey address Board priorities, such as equity and inclusivity, school safety, programs and resources, student well-being and communications. Results from the survey will be used to identify areas to be addressed, monitor progress, and plan appropriate strategies.

The questionnaire will take approximately 15 minutes to complete and is available in both online and paper formats. We would appreciate it if you would complete the questionnaire within two weeks of receiving this letter.

➢ You may access the online questionnaire (English version only) at www.surveymonkey.com/s/SchoolClimateParentSurvey2011.

➢ Paper copies of the questionnaire are available in English as well as the nine next most commonly spoken languages of students in our Board: Chinese, Farsi, Gujarati, Korean, Punjabi, Russian, Tamil, Urdu, and Vietnamese. Please contact the school to request paper questionnaires in any of the above languages.

The information you provide will be anonymous and individual responses will be kept strictly confidential. If you choose to complete the survey on paper, please return it to the school in the envelope provided. Individuals will not be identified in any reports resulting from this survey.

We appreciate your participation in this voluntary survey. If you have any questions, please feel free to contact the school.

Your thoughts and insights will help further our vision as we work together to promote student success.

Sincerely,

S. Bewcyk
Principal
