VISION STATEMENT
Our vision is that Markville Secondary School is a community of future–oriented, self–disciplined, life–long learners, dedicated to the pursuit of excellence.

Our commitment is to a safe, caring, positive environment that fosters communication and mutual respect.

Our focus is on the personal and ethical values in conjunction with the creative, social, academic, and technological skills needed to be successful in the ever–changing and competitive world.

Welcome to Markville Secondary School
This handbook and planner has been designed to assist students and parents/guardians in preparing for an exciting and successful year of study and school activity. The handbook contains a daily planner, information on school organization, and expectations of students. It is hoped that students and parents will take time to read the handbook carefully and use it as a resource.
Students' Activity Council (SAC)
Markville's SAC is the student government of the school, and it is elected by the student body. It consists of approximately 20 members who are students in Grades 9 through 12. Throughout the school year, this council plans, organizes and holds many social events that foster spirit and school pride. Dances, the semi-formal, the prom, charity fundraisers, and spirit days are all run by this dynamic group of students. Student Council's first event, SAC Attack lets students jumpstart their school year and allows them to learn about the broad range of activities and clubs offered at Markville. Listen for announcements and keep your eyes open to learn more about future SAC events. Regular SAC meetings are held each Tuesday after school in room 215; all members of the school body are welcome to attend.

Academy Honesty Policy - Plagiarism
Students are expected to think independently and be academically honest in all aspects of their schoolwork. A student, who presents work done by others as if it were his/her own, is being academically dishonest. Internet translations are considered plagiarism.
Plagiarism will not be tolerated. The first offence will result in a mark of zero, referral to an administrator, and parents/guardians of students under 18 yrs will be contacted. Any subsequent offence will result in a mark of zero, and other consequences as determined by the teacher and/or administrator. In all cases, the teacher will discuss the situation with the student and parent/guardian.
Students must keep rough drafts for submitted assignments and be prepared to give them to the teacher if requested. To avoid plagiarism, assistance is available from subject teachers and staff in the resource centre. For information about how to correctly reference material, create footnotes or bibliographies, please visit the M.S.S. Library and ask for assistance.

Age of Majority
Once a student reaches the age of 18, he/she is considered to have reached the age of majority. 18+ students have the responsibility of notifying the school of any absence, and of signing in/out when necessary. 18+ students are to complete an age of majority form, located in the main office, to give consent for school communication with parents/guardians, and/or to give access to his/her school records.

Announcements
Announcements will be made each day over the public address system at the end of the first period. If members of a school club or organization wish to have an announcement made, the written announcement must be signed by the staff advisor and submitted a day in advance.
During announcements, students are listen respectfully. If in the hall during announcements, students are to stand still and listen until the announcements are over.

Attendance
Regular attendance and punctuality are directly related to student success. Students, therefore, are required to attend and participate in all scheduled classes.

- Absences - A student’s parent/guardian (if the student is under 18) must phone the school to report the absence, or provide a note, detailing date(s) and reason(s) for the absence. The note is to be
submitted to the attendance office before 8:15a.m. on the first day back.

- **Lates** - Students who are late must go directly to class where the teacher will record the late. If a student arrives late to school after period 1, he/she must sign in at the office.

- **Leaving** - If a student must leave during the day for any reason he/she must sign out at the office. Students who are under 18 years of age must provide a note from a parent/guardian, or phone for parental permission.

- **Work Missed during Absence** - Students are responsible for all work missed during absences, and will be evaluated on all work for the course. Teachers must be notified in advance when a student will be absent for appointments, field trips, etc. It is the responsibility of the student to make arrangements with individual teachers to complete missed assignments and evaluations.

- **Students over 18 years of age** may sign their own notes but are expected to maintain good attendance.

**Bullying Prevention - MSS Mission Statement:**

Markville Secondary School supports the research indicating that all forms of abuse and assault are linked to bullying; they are an abuse of power with the intent to dominate another person. Students are to be treated with respect and dignity. In return, they must demonstrate respect for themselves, for others and for the responsibilities of citizenship through acceptable behaviour in

- respect differences in people, their ideas and opinions
- treat one another with dignity, fairness and respect at all times, regardless of their race, ancestry, place of origin, colour, ethnic origin, citizenship, religion, gender, sexual orientation, age or disability
- show proper care and regard for school property and the property of others

This also applies to students who use alcohol or drugs off school property and come to school under the influence of such substances.

Any one or more of the following actions may be employed to improve student behaviour:
- counseling by teachers, guidance counselors, and/or Administration

MSS has the ability to enhance students’ education through the use of computers, e-mail, and the Internet. With this opportunity also comes responsibility, as laid out in this Policy. It is the school’s expectation that students will abide by this Policy. Students who do not adhere to it will incur consequences including the possibility of removal of computer privileges.

2. All use of the Internet must be in support of research or consistent with the educational purposes of Markville Secondary School.
3. Malicious use of the Internet to harass other users or infiltrate a computer or computing system and/or damage the software components of any computer or computing system is prohibited.

Material stored in this directory must be of an appropriate educational nature. The student is responsible for all files/data stored in this directory. A Personal Login and Password should not be shared with other students. Staff has the right to view any material in a student’s personal directory. Since these personal directories will be periodically cleaned out by the school, the student should maintain a backup copy on disk of any important files s/he wishes to retain.

Dress Code
A school dress code promotes a safe and respectful environment for teaching and learning. Dressing in an appropriate manner is important in the development of a positive school environment. Our dress code is supported by the following York Region District School Board policies: Safe and Supportive Schools, Anti-Racism and Ethnocultural Equity, and Human Rights.

- Tops must meet bottoms; bottoms must meet tops (even while seated).
- Short shorts, low-cut tops, and other revealing articles of clothing are not permitted. Tops should have wide straps. Shorts are “short” when the hem is less than two hand lengths from the waist.
- Undergarments cannot be exposed.
- Pants or trousers must be secured at the waist or hip.

Parents will be contacted and the student will be asked to go home to change if a student comes to school dressed inappropriately.
Examinations
All students are required to write their exams in the place, at the scheduled time, and on the date indicated on the exam schedule. A schedule and a list of guidelines are made available to students at least two weeks prior to the commencement of each exam period. Vacations, summer jobs, and other planned excursions are to be scheduled outside of the dates identified as the exam period (found in the calendar pages, in this planner.) Any student who misses an exam due to extenuating circumstances (medical emergency, court appearance, bereavement) must provide proper documentation (medical certificate, court subpoena, death certificate). These students may be required to write a make-up exam in order to receive their credit.

Extra-Curricular Clubs and Organizations
There are many extra-curricular clubs and organizations that meet regularly at MSS. The Student Council (SAC) supports all clubs, organizations, teams, and activities which have a staff advisor. To take part in any of these clubs, a student must have a current student identification card.

Extra-Curricular Sports
Markville Secondary School’s Athletic Department proudly offers students many opportunities to enhance their educational experience through school sports. Markville’s athletes have always had a favorable reputation throughout York Region. In order to continue this tradition, students must remember that participation on a school team is a privilege. Unsportsmanlike behaviour will not be tolerated or condoned by the coach, athletic department, or administration. This includes criticism of officials, confrontations with other athletes, and/or the use of profanities during practices or games. Athletes who do not represent Markville in a positive manner will not be allowed to continue participation on school teams.
Each participant on a Markville Varsity Team is a student first and an athlete second. Participation in this program requires an academic and attendance record that satisfies the parent, coach, and subject teacher. Participation in this program also requires payment of an athletic fee that must be paid to the school before an athlete plays in any league game.

Food, Snacks, and Drinks
The eating of food or snacks, and the drinking of milk, pop, or juice is restricted to only the cafeteria and the first floor in order to maintain a safe and healthy environment.
Guidance Services
The Guidance Department provides a broad range of programs and services for our students, their parents and guardians, and the school community. Guidance counselors address questions and concerns regarding high school program planning and academic success, post-secondary educational alternatives and career choices. In addition, counselors assist students with personal and social issues. Students will be assigned a counselor according to their surname. Students, please check in the Guidance Office for the name of your counselor. Appointments may be arranged in the Guidance Office or by calling 905-940-8840 ext. 105.

The Guidance Department also provides a wide range of services for new Canadians. Services include academic testing in mathematics and language skills as well as comprehensive English as a Second Language learner assessment. Further support is available through school settlement workers who aid new Canadians with settlement issues and personal concerns.

school property, or in association with school activities. Students participating in gambling activities will be subject to disciplinary action with the possibility of suspension.

**No Smoking Policy**
Consistent with the Tobacco Control Act of Ontario, we are trying to promote healthy lifestyles and therefore, do not permit smoking or holding lit tobacco on school property. Students who are caught smoking on school property are warned by administration and a letter is sent home. Subsequent incidents will result in a three day suspension from school and the York Region Public Health Department may impose a minimum $305.00 fine.

**Personal Property**
Students are advised not to bring valuables to school. Do not keep valuables, money or expensive clothing in a locker or gymnasium change room as the school is not responsible for missing items. Leave your valuables at home.

**Reporting of Marks**
An interim report card may be issued at the beginning of a semester to provide an informal assessment of a student’s progress to date in a course.
Students will receive two report cards in a semester, a mid-term report card and a final report card. The final report card will include a completion of graduation requirements record.
The report card also provides a record of the learning skills demonstrated by the student in every course, in the following five categories:
- works independently
- teamwork
- organization
- work habits
- initiative

- to access the Markville S.S. Library
- to participate in and/or attend school activities and events
- to join school clubs and teams.
As an additional benefit, students may receive a discount on public transit when using their student ID card.

Students are required to show their ID card immediately, if they are asked to do so.

**Suspensions**

Students under suspension are not allowed on school property, properties adjacent to Markville S.S. and/or on any York Region District School Board property. Suspended students must make arrangements to have homework assignments completed during the suspension.

**Student Parking**

In order to attain parking privileges, students must complete an application form. Once an application form is approved there will be a charge of $20.00 per year for a parking tag. Retention of this privilege will depend upon strict adherence to conditions outlined at the time of application and consistent adherence to the identification tag policy. Students must park in student designated parking areas.

**Skateboards, Rollerblades, Scooters**

Students are not allowed to use skateboards, rollerblades or scooters on school property. If a student does not comply, these items may be confiscated.
